THANK YOU

We have seen the best of Canoe Polo, more than one hundred magnificent games, up to 874 goals.
And two well-deserved winners:

Liverpool (Great Britain) women

Condé sur Vire (France) men

And then it ends...The city of Helmond is proud, the canoe club 'HWC de Helmvaarders' is proud.
This event was not possible without the contribution of the community and all the sponsors and partners, but most of all the volunteers.

It was a great pleasure organizing this year's European Championships for Club Team!

Thank you all

and see you next year at HIT (Helmond International Tournament)
